

Fun Facts

ABOUT OUR DIGITAL SERVICES

We Offset our carbon footprint on all our work.

All our designs are responsive to all devices.

15% of our profits go to partnered charities.

DIGITAL DEVELOPMENT

A core part of our company is our design studio which offers services such as web design.

We use both WordPress and Shopify in our designs and can also offer website management services at competitive prices.

MEDIA MANAGEMENT

we aim to bridge the gap for generated profitable growth for our clients and to assist all our clients in breaking the mould in media communications.

Our mission is to be the bespoke media company of choice throughout Ireland and the U.K
